When Father Serra's remains were exhumed at Mission Carmel in 1943, the Caravaca Cross was found with his body, helping to confirm his identity. The green verdigris stains found on his neck vertebrae established the placement of the cross on his chest at burial. The cross is either Spanish or Italian, is made of copper, and constructed in the form of a reliquary with nine cloth depositories

Serra.

subsequent popularity is often attributed to Father The Americas by Spanish missionaries and its throughout Spain. The introduction of the cross to attributed to the cross and soon its image was found gained popularity. Several other miracles were rebelled the legend of the Caravaca Cross rapidly Christian rule and Moorish conquerors were As territories on the Iberian Peninsula returned to
